## FASHION NEWS PRETTY PASHMINAS

TRENDS STREET SMART SHOWS LINGERIE

Pashminas are here to stay. They are light, warm and up till now fairly uniform

Not any more Candice Wren creates unique designs printed on to cashmere and silk. She concentrates on quality pashminas and then lets hers or your imagination take over. Just the thing to wow up a little black dress this festive season, to cheer up our sludgy Autumn Winter wardrobe.

They would also make a great present, as a pashmina is always a welcome gift and these will really put you ahead in the present buying stakes.
